

Let's Practice!

Let's talk about golf technique.

Instructions: Read the sentences aloud. Check your pronunciation with your instructor.

1. "It's the most underrated part of the golf game," says David.
2. David insists that the address needs to be practiced as often as the swing does, so that it becomes a subconscious and repeatable action.
3. "Most golfers measure success in superlatives," Diaz continues.
4. You have to make sure that all of these different parts cooperate in that one fluid and harmonic swing."
5. The most common ailments include hyperextended joints, strained obliques and pulled backs.

Let's Practice!

Sam talks about health and sports.
